Monitoring bats at the Cambridge University Botanic Garden

Thursday 11th February 7:30 – 9:00 pm

Chantal Helm, who is responsible for Cambridge University Botanic Garden's work with Further and Higher Education students and a bat ecologist in her spare time, will talk about bat monitoring taking place on site and plans for the future.

ONLINE via Zoom. Members will be emailed login details nearer the time.
To be added the mailing list for events email [webmaster \[at\] cnhs.org.uk](mailto:webmaster@cnhs.org.uk)
