CAMBRIDGE NATURAL HISTORY SOCIETY

Founded in 1857 as Cambridge Entomological Society

Cambridge Natural History Society is open to anybody interested in natural history: plants, animals, fossils, soils, climate, conservation, ecology and more...

We hold Thursday evening meetings from October to April when local experts give talks on a wide variety of topics. There is an opportunity for further discussion both in the lecture theatre and in the pub afterwards.

In spring and summer, we run field excursions to local places of interest - ideal for learning about wildlife and practising your identification skills.

Each year we select an area around Cambridge to survey. We visit it every month, recording the flora and fauna we find.

We organise an annual exhibition **NatHistFest**, the *Conversazione*, which provides a great opportunity to meet other members of the society and find out more about wildlife and the environment.

Become a member of CNHS and benefit from:

- Discounted admission to CNHS meetings
- Three programme schedules per year*
- Regular email updates about CNHS activities*
- News about local Natural History events*
- Access to knowledgeable local experts

Join for a year for £6 (£5 per year if by Standing Order), £14 for 3 years or become a Life Member for £100.

Further information available at www.cnhs.org.uk
or from our Membership Secretary: membership@cnhs.org.uk
